

**List of Lecturers with Professional Educator Certificates in Ba Statistics**

| No. | Name                              | Academic rank                            | Highest degree  | Field of Expertise                           | Special Focus Areas                             |
|-----|-----------------------------------|--|-----------------|--|---|
| 1.  | Prof. Dr. Sifriyani, S.Pd., M.Si. | Professor                                | Ph.D.           | Health, Social, and Environmental Statistics | Nonparametric Regression and Spatial Statistics |
| 2.  | Dr. Suyitno, S.Pd., M.Sc.         | Associate Professor                      | Ph.D.           | Health, Social, and Environmental Statistics | Mathematical Statistics                         |
| 3.  | Dr. Sri Wahyuningsih, M.Si.       | Associate Professor                      | Ph.D.           | Economic and Business Statistics             | Time Series Analysis and Forecasting Methods    |
| 4.  | Dr. Syaripuddin, M.Si.            | Associate Professor                      | Ph.D.           | Computational Statistics                     | Optimization and Applied Mathematics            |
| 5.  | Prof. Dr. Darnah, S.Si., M.Si.    | Professor                                | Ph.D.           | Health, Social, and Environmental Statistics | Biostatistics                                   |
| 6.  | Dr. M. Fathurahman, S.Si., M.Si.  | Associate Professor                      | Ph.D.           | Computational Statistics                     | Regression Analysis                             |
| 7.  | Rito Goejantoro, S.Si., M.Si.     | Assistant Professor<br>( <i>Lektor</i> ) | Master's degree | Computational Statistics                     | Computational Statistics                        |
| 8.  | Ika Purnamasari, S.Si., M.Si.     | Assistant Professor<br>( <i>Lektor</i> ) | Master's degree | Economic and Business Statistics             | Statistics                                      |
| 9.  | Memi Nor Hayati, S.Si., M.Si.     | Assistant Professor<br>( <i>Lektor</i> ) | Master's degree | Health, Social, and Environmental Statistics | Spatial Regression                              |
